

Dream for Our Children - June 2025

快樂童年 眾幸福
Happy childhoods uplift us all

Dear Friends of HKSPC,

Partnerships are important to the Society. Whether it be in the form of donations, volunteering or collaboration with other NGOs, HKSPC is grateful for all the support we continue to receive from the community.

In this issue of our newsletter, we proudly feature two partnerships in the past few weeks that have brought much joy to the children we serve.

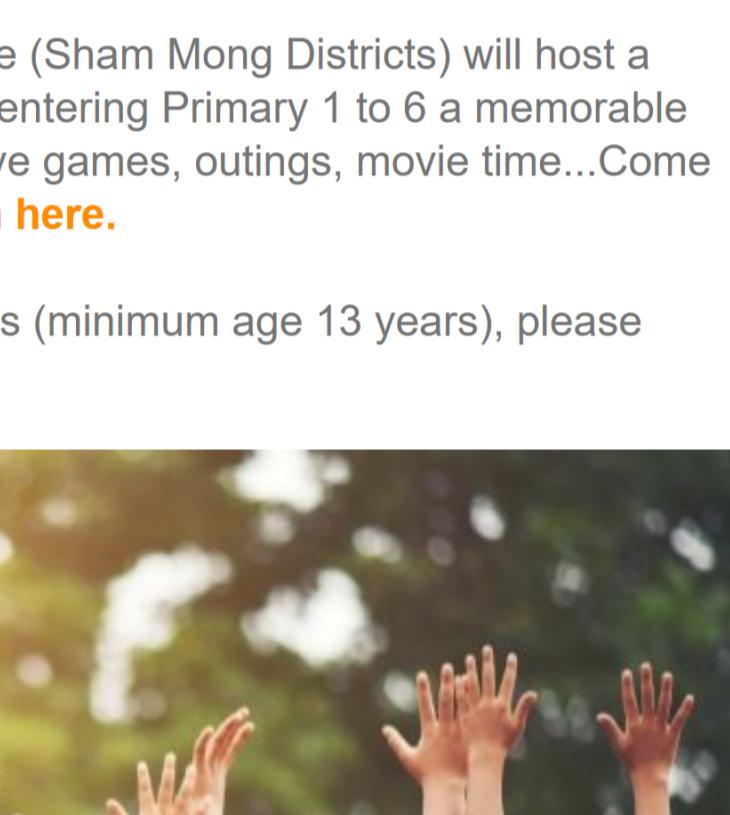

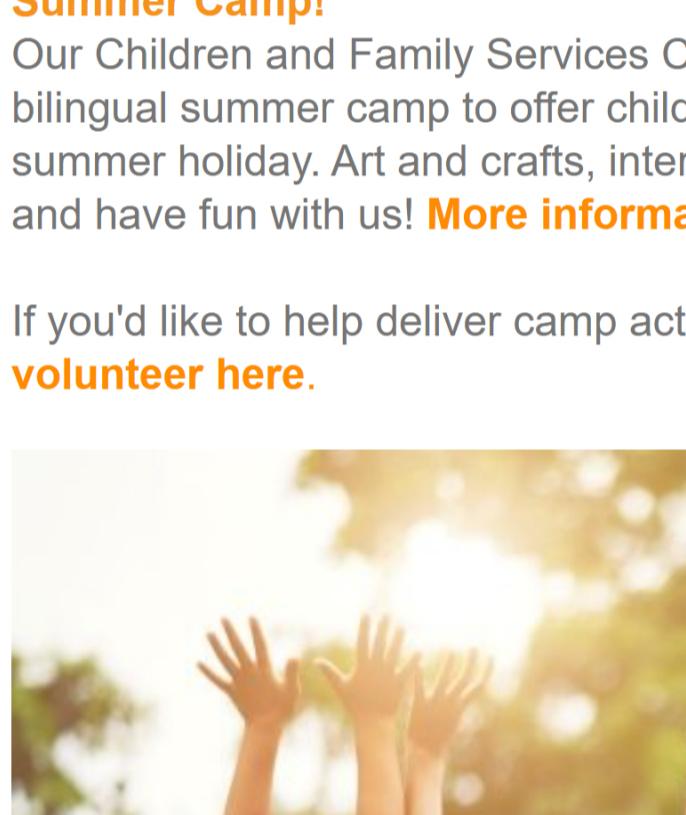

Our Summer Camp for children entering Primary 1 to 6 will take place from 14 July to 23 August and we are actively seeking volunteers to help deliver camp activities. If you have some time and would like to make this summer a memorable one for both our children and yourself, please sign up as a camp volunteer [here](#).

Thank you for your ongoing support.

Event Highlights

Thanks to Gold Coast Hotel for providing their lovely venue and a delicious buffet lunch on 26 April for another day of fun for our beneficiary families. This year's "Familiympic" provided a wonderful opportunity for families to spend time together and engage in physical and brain fitness challenges that fostered resilience and teamwork. [More about Familiympic here](#).

A huge **thank you to UBS** for giving HKSPC students a once in a lifetime opportunity to watch Kooza, the Cirque du Soleil performance currently touring Hong Kong. The lucky children watched the show on 20 May, even before the official opening night, making them all VVIPs for an evening.

Child Wellbeing Tip

Dental Care Guide for Babies

As babies grow up, they no longer need adults' help to clean their teeth. Parents can begin to teach children the importance of teeth protection and

nurture their good dental habits from the age of 12 months. Many parents may face challenges when encouraging their children to brush their teeth. Read tips from experts on setting up a good oral hygiene routine for young children! [Read the article here](#).
