

Dream for Our Children - Sept 2025

快樂童年 罢幸福
Happy childhoods uplift us all

Dear Supporters,

September marks the joyful beginning of a new school year at our 16 nursery schools. We are proud to have a dedicated team of over 500 education professionals working with our over 1,600 students to enrich their learning experience and safeguard their well-being. In our new HKSPC video featured below, you will hear from one of our principals who was once a student of a HKSPC nursery school - a touching story not to be missed!

We are also having another HKSPC Charity Sale on 9th October. This event helps underprivileged families acquire useful household and other personal items at affordable prices while raising funds for HKSPC. We welcome donations of unused clothing, toys, stationery and small home appliances. More details can be found below.

Lastly, please remember to support us today (11th September) and on the 11th of every month until January 2026 at AEON stores. Join the "Happy Yellow Receipt Campaign" and vote for HKSPC with your yellow receipts. AEON will donate 1% of the value of each receipt to HKSPC — every vote counts!

Event Highlights

Thank you to Lions Club of West Kowloon

The HKSPC Children's Residential Home was grateful to receive 40 touchless hand soap dispensers and 100 refill packs from **Lions Club of West Kowloon** this month. Good hand hygiene helps keep children and staff in our 24-hour residential centre free from germs. We look forward to further collaboration with the Lions Club to serve more families in the local community.

Child Wellbeing Tip

Sweet Dreams Ahead: Establishing a Healthy Sleep Routine for Toddlers

Many parents have experienced that curious moment when their energetic little ones suddenly drift off to sleep without warning. One second, they are bouncing with excitement, and the next they are "switched off." It's often a delightful surprise, leaving parents both entertained and wondering how to help their babies develop a more consistent sleep routine. [Continue reading...](#)
